Re.: Motion for Extension of Time to Answer Complaint
Doe v. ALYK, Inc., 1:25-cv-003305-JLR

Dear Judge Rochon:

We are attorneys for Defendant, ALYK, Inc., (“ALYK”) in the above referenced matter. Pursuant to ¶1(F) of the Court’s Individual Rules of Practice in Civil Cases, we respectfully submit this letter motion to request an extension of time to answer, move, or otherwise respond to the complaint. The Plaintiff’s counsel consents to the extension requested herein.

Per the court’s text order, entered May 29, 2025, the current due date to answer is set for June 5, 2025. We have been in contact with Counsel for Plaintiff and have disclosed that ALYK sold the business involved in the complaint long before the incident that gave rise to the complaint, and ALYK was dissolved. ALYK is currently in the process of providing documents to the Plaintiff with regards to that sale. This extension is required for the parties to determine how to best proceed in these circumstances. Accordingly, we respectfully request that ALYK’s time to answer, move, or otherwise respond to the complaint be extended by 30 days from the current due date to July 7, 2025. This is ALYK’s first request for an extension of time to answer the complaint.
